Dear Parents and Carers,

Ethics classes are now available in NSW public primary schools as an option for children who do not attend Special Religious Education (SRE) / Scripture.

The NSW government has authorised Primary Ethics, a not-for profit organisation, to design curriculum and deliver these classes. Classes are inquiry based and children use dialogue and discussion to learn how to think about ethical matters through the give-and-take of reasoned argument. Trained and vetted volunteer teachers lead discussions.

Curriculum is available for K - 6 students. Please let us know if you are interested in choosing Ethics for your child by returning the slip to your child’s teacher below.
