Welcome to Year 2
Parent Information Evening 2014
* Purpose of tonight is to introduce you to the routines and expectations of the class. If you would like to discuss your son or daughter individually, please make an appointment with your classroom teacher.

School Life

- Allow your son or daughter to become more *independent*. For example, give them support to pack their own school bag and encourage your child to be organised about the items they need to bring to school each day.

- Motivate your son or daughter to be *responsible* by handing in their homework on time and looking after their belongings.

- Help your child to be *organised* for each day by getting them to school no later than 9:15am. This allows them to be calm, relaxed & ready for the day.

- It is important that the school uniform needs is neat and tidy.
Homework

- The purpose of homework is to revise and consolidate the skills that have been taught, along with helping to develop sound work habits to prepare your child for the later years of schooling.

- Year 1 and 2, 15-20 minutes (Monday to Thursday). Homework is recorded in their Homework Book.

- Homework consists of Spelling, Literacy and Mathematics. Regularly there is a talking and listening or research component and we ask that parents help their son or daughter to prepare.

- Reading 10 minutes every night (Fiction and non-fiction books).

- Please speak to your classroom teacher if your son or daughter is taking longer than the suggested time, or if Homework becomes a concern at home.
General Information

- If your child arrives to school, please send them to the front Office for a Late Note. Similarly, if you need to collect your son or daughter before 3:25pm you are required to sign them out at the Office.
- All absences require a note of explanations
- Additional leave must be approved by the Principal.

- Raincoats: please ensure your son or daughter has a labelled raincoat in their bag each day.
- Paint shirts: are important to protect your son or daughters school uniform.
- Labels: please check regularly that all of your son or daughters school clothing, equipment and materials are labelled.
- Stationary supplies: please replenish your son or daughters pencils, rubbers, glue sticks when required.
Assessment & Reporting

- Students are regularly assessed using formative and summative assessments for each subject area throughout every Term.
- These assessments, in conjunction with student work samples and observations form the basis for A-E grading.
- Semester reports are sent home in Term 2 and Term 4.
- Parent-Teacher interviews are scheduled for late Term 2, but if you would like to discuss your son or daughters academic progress, learning habits, social skills, or have any other concern – please don’t hesitate to contact your classroom teacher for an interview.
Rewards and Discipline Levels

- At LPPS we reinforce and acknowledge students making good behaviour choices and learning to manage their behaviour.
- In Year 1 & 2 students are provided with many opportunities to receive rewards for good behaviour: Classroom rewards, Berries, Merit Awards, Star of the Week, Principal Awards
- If at any time a teacher is concerned about your son or daughters behaviour, parents will be the first port of call.
Thank you for your time this evening & we look forward to this year together.

Goodnight.
